Declaration For Patent Application

As below-named inventors, we declare that:

Our residence, post office address and citizenship are as stated next to our names. We believe that we are original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled "Shipborne System for Transportation of Natural Gas in Zeolites," the specification of which is being filed with this declaration. We have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

We acknowledge the duty to disclose information, which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

We declare that all statements made in this declaration of our own knowledge are true, and that all statements made on information and belief are believed to be true. We made these statements with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both, under § 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
